- [Become an Apple Teacher](#)

# Become an Apple Teacher

## What is it?

Self-Paced training for learning the Apps (programs) that come with the MacBook and iPad

You can choose which path to take: MacBook or iPad (or you can do both)

Each path includes 8 Badges:

## Getting Started

**First - Teacher must have an Apple ID** - use the one you use with your teacher iPad (preferably one with your ISS email)

-

If you don't have one, you can create one from this Apple Teacher page and all it requires is name, email, pw, birthdate, and 3 security questions - go to email to verify - enter passcode)

<https://appleid.apple.com/account#!&page=create>

- 

Or you can create one on your iPad:

### **If you have an ISS Apple ID but can't remember the password:**

- 

Go here: <https://appleid.apple.com/#!&page=signin> and click forgot Apple ID or password right below the text box

- 

Put in the Apple ID (it should be your entire email address)

- 

Then continue and it will give you the option to send you an email to reset your password.

### **If you already have an Apple ID and you know the password:**

You are ready to get started!

### **Now What?**

You will return to the Apple Teacher site and sign in with your Apple ID

<https://appleteacher.apple.com>

- 

It may send you a confirmation email

You will see tons resources here for you!

- **Collections** - decide whether you want to start with Badges for Mac or iPad - make your selection

- You will see icons for each of the 8 badges required to become certified.
- Click on one of the badge icons - click the word VIEW on the window - and it will lead you to the iBook or the online help

Download the iBook that goes with each app/badge - go through the book - then take the quiz for that particular tool. *You can download the iBook on an iPad AND on the MacBook*

**The Quiz** is linked on the lower half of the page on the website.
