Once finished, the Setup screen should look like this.

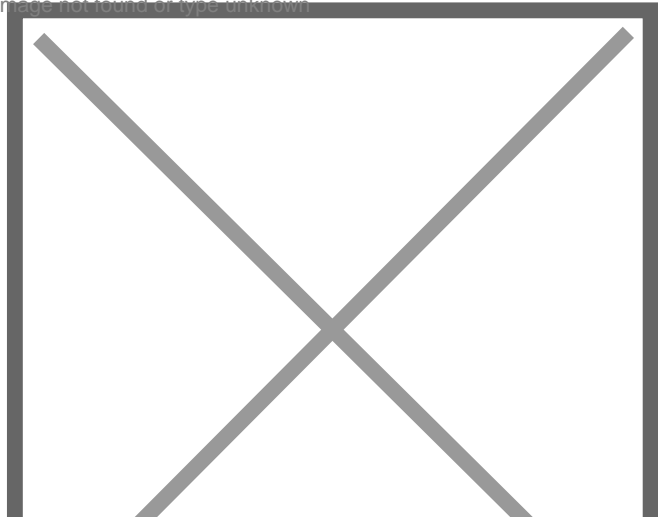

Image not found or type unknown

Send Ricky or Brandon so that they can tell you once all Profiles are installed and Name Apple TV if needed. They will need Asset Tag that is on the Apple TV.

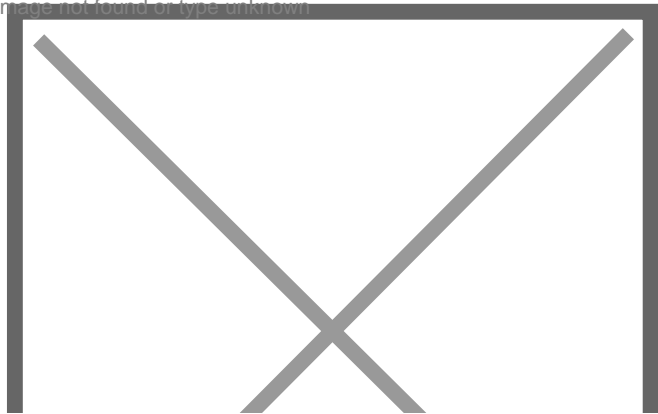

Click Settings- General

Once Ricky or Brandon have told you it is finished then you are done. You will have to take it back to the classroom if you removed it.

This is not a long process and can be done in a planning period to keep from having to remove from the classroom.
