Clear cache & cookies in Chrome

1. On your computer, open Chrome.
2. At the top right, click More More.
3. Click **More tools** and then **Clear browsing data**.
4. At the top, choose a time range. To delete everything, select **All time**.
5. Next to "Cookies and other site data" and "Cached images and files," check the boxes.
6. Click **Clear data**.
