

# Change page setup of a Google Doc

1. On your computer, open a document in [Google Docs](#).
2. In the toolbar, click **File** and then **Page setup**.
3. Go to the setting you want to change:
  - Orientation
  - Paper size
  - Page color
  - Margins
4. Make your changes.
5. Click **OK**.
6. Optional: To make new documents open with the settings you chose, click **Set as default**.
