

How to Show questions based on answers in Google Forms

Show questions based on answers

You can set up a survey so that people only see certain sections based on their answers.

1. Open a form in Google Forms.
2. At the bottom right, click **More** and then **Go to section based on answer**.
 - You can also choose **Submit form** if you want the survey to end based on an answer.
3. Choose specific sections to send people to.

Skip sections in your form

1. Open a form in Google Forms.
2. To add a section break, click **Add section break**.
3. At the bottom of each section, you can choose which section people go to next.
