

How to Use Google Slides

Google Slides is an online presentation app that lets you create and format presentations and work with other people.

Step 1: Create a presentation

To create a new presentation:

1. Open the Slides home screen at slides.google.com.
2. In the top left, under "Start a new presentation," click New Add. This will create and open your new presentation.

You can also create new presentations from the URL <https://slides.google.com/create>.

Step 2: Edit and format a presentation

You can add, edit, or format text, images, or videos in a presentation.

- [Insert and arrange text, shapes, and lines](#)
- [Add, delete & organize slides](#)
- [Add animations to a slide](#)

Step 3: Share & work with others

You can [share files and folders](#) with people and choose whether they can view, edit, or comment on them.
